

## **Mariner Pipeline Income Fund (MIT) – Extension of Product Transportation Agreement**

15 May 2007

Santos today announced the extension of the Cooper Basin Ethane contract with Qenos as follows:

“Under the contract extension, the Producers will supply a total of up to 56 additional petajoules of ethane to Qenos’ Botany plant in Sydney from late 2007 until the beginning of 2013”

Gorodok Pty Limited’s (the operator of the Moomba to Sydney Ethane Pipeline) Product Transportation Agreement with Qenos will be automatically extended by the same period.
